

Dr. Leslie Malloy-Weir and Dr. Debra Morgan at the University of Saskatchewan are conducting a study to learn about driving and dementia in Saskatchewan.

You are invited to participate in this study because of your contact with older adults.

Participation in this study is completely voluntary and involves:

- the completion of a paper-based or electronic survey that will take approximately 5 minutes to complete. Answers to the surveys are anonymous and will not be traceable to you. Surveys will be mailed at the end of May, 2017.

and/or

- A telephone interview that will last approximately 15 minutes. Interviews will take place between May, 2017 and October, 2017.

If you would like to participate in this study, or have any questions, please contact:

Dr. Leslie Malloy-Weir at: lem074@mail.usask.ca or by phone at: 306-966-8792.

Thank-you in advance for your time and consideration.

Sincerely,

Leslie Malloy-Weir, PhD
