Information for Initial Registration

In the province of Saskatchewan one may not practice as a psychologist, use the title “psychologist” or represent oneself as a psychologist, without licensure with the Saskatchewan College of Psychologists (SCP).

The SCP does not offer transcript review prior to the submission of a formal application for licensure. Applicants are encouraged to review the “Information Handbook for Applicants” which can be found on the SCP website under “Member information” “Forms”, and to contact the office should you have any questions.

Documents to be submitted as part of the initial application (which if accepted will allow one to be placed on the Register as a “Provisional” psychologist):

1. An “Application Form for Initial Registration”.
2. Application fee (non-refundable) of \$250.00.
3. Official transcripts of post-secondary degrees to be considered in the application process (**transcripts must be sent directly by the issuing institution to the SCP and must clearly state that the degree one wishes to be licensed under has been conferred - one must have the minimum of a Masters degree that is acceptable to the SCP**) Include undergraduate transcripts - in the event that any of the graduate courses claimed for the Foundational Knowledge (FK) requirement are not accepted there may be undergraduate 300-400 level courses which may qualify for the requirement. It may also be useful to append copies of course syllabi for the FK courses.
4. A verified/notarized* copy of your Birth Certificate. If you have changed your name, please provide verified copies of all documents (e.g. Marriage Certificate, Certificate of Change of Name, divorce decree).
5. A “Consent for Release of Information” form.
6. A “Consent for Release of Information to Supervisor(s)” form.
7. A criminal record check, including vulnerable sector screening.
8. A “Declared Areas of Competence and Interventions” form.
9. An “Employment Verification” form.

11. An “Applicant’s Self-Report of MRA Competencies” form.
12. Three references provided on the “MRA Competency Reference Form” (two references must be from Psychologists, the third can be from another professional who knows of your competence and work.
13. A “Supervision Agreement” which identifies all supervisors (primary and secondary) and how supervision will be provided. The form must be signed by all supervisors. Your supervisor, or supervisors as a group, must have the declared areas of practice competency to which you aspire, and which your Supervision Plan will address.
