

PRESIDENT-ELECT:
(by acclamation)

JENNY KELLER, Ph.D., R.D.Psych.
Residence: Regina

Educational and Work Experiences

Jenny completed a Doctor of Philosophy in Counselor Education at Western Michigan University. Jenny was accepted into this program as a Fulbright Scholar from South Africa. Jenny's educational and work experiences have focused on systemic interventions with culturally diverse communities, organizations, and families. Prior to her doctoral studies in the USA she worked as a university lecturer in Guidance and Counselling. Jenny has been employed by RQHR since 2007 and she currently works at both the Adult and Child and Youth mental health clinics. She has been registered with SCP as a doctoral psychologist with APE since November 2007.

Memberships and Committee Experiences

Jenny brings an international perspective to the SCP Council. She has presented extensively at international conferences and maintains registration as a doctoral psychologist in Michigan and the United Kingdom. Jenny is a member of the *American Psychological Association* and the *Canadian Psychological Association*. Jenny has been on Council since September 2009. Her second term as member-at-large ends in February 2012. During this period she contributed to formative decision-making, policy development, and support of the mandated functions of SCP. Jenny identifies that her background in organizational development and her collegial spirit are foundational to her enthusiasm for team-based leadership and progressive problem-solving.
