**WANDA SAUL, M.C., R. Psych.**  
Residence: Regina

### Education and Work Experience

I convocated with an Education Degree in 1989, completed a program of Special Education Integrated Studies in 2000, and a Master's Degree in Counselling Psychology from the U. of C. in 2005. My work experience since 1989 includes employment as a Teacher, Special Educator, Counsellor, Educational Evaluator, and Registered Psychologist. Since September 2007, I have worked full-time as a Psychologist for Regina Public Schools.

At my workplace, I have recently taken a lead in the development of *Responding to Tragic Events: A Resource Guide for Schools*; taken part in interdisciplinary responsibilities including working collaboratively with students, parents, school personnel, administration, and community service providers; and am a member of the Autism Workshop Committee, including members of the local Health Region and Regina Catholic School Division.

I am energetic, open-minded, and organized! I enjoy listening to different perspectives and contemplating alternatives when considering decisions impacting our profession and the protection of the public. I possess a demonstrated ability to “get the job done”. I am very interested in continuing to offer my time and energies to the Executive Council.
