1. Non-practising (NP) member: someone not actively working as a psychologist; Full Practising (FP) member: able to practise without supervision or any other restrictions; Provisional Practice (PP) member: has been granted a provisional license to practise until they complete the remaining requirements of registration, which is most often additional supervised experience
2. Yes: the psychologist has been approved by the College to make diagnoses; No: the psychologist does not have this approval

This list was last revised in February 2012. If you have additional questions about the register, please contact the SCP office directly.
