**Title**

1 These bylaws may be referred to as *The College of Psychologists Fee Bylaws, January 2022*.

**Registration**

2 The fee payable for each application for registration as a member of the college is \$300.00.

3 The fee payable for each application for Time Limited License of the college is \$150.00.

**Authorized practice endorsement**

4 The fee payable for each application for authorized practice endorsement is \$250.00.

**Oral interview**

5 The fee payable for each application to attend an oral interview is \$550.00.

**Non-practicing**

6 The non-practicing membership fee is \$300.00 for each calendar year.

**Annual Licensing**

7(1) the annual licensing fee for each calendar year is payable by December 1 of the previous year.

(2) The full practicing license fee for the 2022 practice year is \$1000.00.

(3) The provisional practicing license for the 2022 practice year is \$1000.00.

(4) A prorated fee structure to accommodate applications throughout the year may be established by the council.

(5) A late fee of \$10.00 per day is applied to fees paid after December 1 to a maximum penalty of \$200.

**Change of membership status**

8 Where a member changes membership status, the member shall pay the difference, if any, in the licensing or membership fees between the two categories.

**Non-payment**

9(1) the license of a practicing member who has not paid the annual licensing fee, and any applicable late fee, for the subsequent year by December 31 is suspended as of January 1 of the next year.

(2) A member who is suspended for non-payment of fees is a member not in good standing and is not entitled to practice.

**COMING INTO FORCE****Coming into force**

10 These bylaws come into force on January 1, 2022.
