

In partnership with the College of Medicine, department of Community Health & Epidemiology, the Saskatchewan Network for Health Services in French/ Réseau Santé en Français de la Saskatchewan (RSFS) is in the process of updating the directory of health professionals who are willing to speak at least some French in their provision of health services. We are also seeking to add professionals who are new to the province, recently graduated or simply newly interested. Professionals are added to the directory on a volunteer basis and there are no legal obligations associated with being listed. If you would like more information or are willing to be listed please contact Katie Pospiech at katie.pospiech@usask.ca or (306) 966-1270. Thank you very much.
