Membership Advisory

Professional Corporation and Limited Liability Partnership

At the June 23, 2007 meeting of the Saskatchewan College of Psychologists the Executive Council approved the application forms for member psychologists to proceed with registration for Professional Incorporation, and Limited Liability Partnerships. Forms and procedural instructions are now available on this web-site. Completed forms can be forwarded to the College office where a Register is maintained. The Registrar will enter the name of the Professional Corporation or Limited Liability Partnership into the register then assign a registration number (Professional Corporation Number or Limited Liability Partnership Number) to the Professional Corporation or Partnership. A certificate bearing this number will be forwarded to the Corporation or Partnership from the Registrar. Members are strongly encouraged to seek legal and financial counsel regarding the costs and benefits before proceeding with this process. Additional questions about the process of registration as a Professional Corporation or Limited Liability Partnership can be directed to the Saskatchewan College of Psychologists office.
