2022

CALL FOR NOMINATIONS

January 10, 2022

Dear Member,

We trust that you have had a wonderful holiday season with family and friends. It's that time of year again when we are calling for nominations in accordance with *The Psychologists Act (1997)* and its **Bylaws**. For our profession to continue to be strong, vibrant and active we require members who are willing to be nominated and elected to the SCP. If you are interested, consult with a SCP colleague to submit your nomination. Securing members who can serve on our Council and who represent our practice in our province is crucial to the leadership and governance to which we aspire.

For the 2022-2023 year, the Nominations Committee of the Saskatchewan College of Psychologists is seeking nominations for the following **four (4)** positions:

- **President Elect (3-year term: 1st yr-President Elect; 2nd yr-President; 3rd yr-Past-President)**
- **Secretary (2-year term)**
- **Two positions - Member-at-Large (2-year term)**

The descriptions of each position together with the 2022 Nomination form are on SCP's website http://www.skcp.ca/?page_id=103 Nominations must be received, in writing, on or before **5 pm, March 4, 2022**. To initiate the nominations process for one of the above positions, a member is asked to discuss the nomination with the potential nominee. If the member consents to being nominated, please

1. Complete the 2022 Nomination Form
2. Obtain written consent of your nominee on the form
3. In conjunction with the nominee, submit the nomination form with the biographical information

As outlined in the Biographical Guideline, this description should be provided in a written paragraph format limited to a maximum of 300 words including information from areas such as:

- Educational background
- Work experience (place of employment, areas of practice/expertise, research)
- Committee experience (related volunteer work)
- Other relevant information (professional memberships)
- Answers to questions, "Why do you want to be on Council? How do you think you can contribute to Council?"

Please remember that only SCP members with Full Practice designation residing in Saskatchewan are eligible to fill positions on the Council. A Full Practice member may only let their name stand for one position. A SCP member is eligible to nominate one or more individuals for positions on the Council.

Information on nominees will be posted on the SCP website. In March 2022, if sufficient nominations are received for any or all positions, ballots, and biographical summaries of all nominees will be sent to all practicing members. On occasion that no nomination is received for a position, the Council is charged under **Bylaw 19(3)** with the responsibility of making a suitable appointment to the position.

We encourage you to consult with colleagues, put forward the nomination of a committed member and when an election is called, provide your vote. The role of the Nominations Committee is to encourage members to put forward suitable nominations, but *not* to submit its own nominations.

Thank you for your considerations and we look forward to receiving your nominations and holding an election in 2022!

Sincerely,

SCP Nominations Committee

Leslie Young (Chair), Heather Switzer, Cindy Focht, Karen Litke
